Contempo is defined as showing the latest style. Whereas the packaging will remain consistent over time, the style and varieties of the wines offered under the Contempo brand will continually adapt to the wandering palates of the youthful wine consumer by exploring everything from the traditional to the avant-garde.

This family-owned winery has been producing estate grown and bottled wines since 1961. With over 3,000 acres of planted vineyards across three valleys, the focus is always on quality, as well as all the variety Chile has to offer.

Cherry and plum on the nose, a lush palate, supple tannins, and a hint of smoke on the finish.

Enjoy with any fire grilled meats or burgers, braised short ribs, or chimichurri sauce.

Tastings - Highly Recommended, Best Buy, Silver Medal, Cellar Selection
