

# 2020 | Sea Salt Dry Rosé

Region/Appellation: **Hawke's Bay, New Zealand**

Varietal/%'s: **50% Sauvignon Blanc, 40% Merlot, 5% Cabernet Franc, 3% Malbec, 1% Syrah, 1% Pinot Noir**

Alcohol %: **12.8%**

Acidity: **7**

For centuries, Sea Salt has been considered the perfect culinary compliment because of its ability to present its unique flavors that enhance the taste of almost any food. It is produced in relatively small quantities to maintain its quality and the uniqueness of the environment from which it was harvested.

While Sea Salt Rosé pairs with food as well as its namesake, it is equally enjoyed without because of its slight effervescence that softens the fruit flavors and creates a crisp, refreshingly drinkable experience.

This frizzante-style wine has peach, strawberry, and creamy notes on the nose with a wonderfully crisp, effervescent palate.

Enjoy with shellfish, light seafood dishes, fried chicken, hearty salads, or simply by itself on a warm summer afternoon.
