**Alcohol:** 14%

**Acidity:** TBD

### **Wine Story**

2020 Maison Riche Côtes du Rhône comes from the region of Châteauneuf-du-Pape in the Southern Rhône Valley. This wine is comprised of Grenache, Syrah, and Mourvèdre grapes, which provide jammy scents of red berries and spice, with a complex but silky-smooth mouthfeel. Perfectly fine to age for up to five years but being one of our favorites, our guess is that it won't last that long.

### **Tasting Notes**

Deep, ruby-red in color, red berries, cooked strawberries, and spice notes on the nose, more red fruit on the palate with a supple mouthfeel, silky tannins and delightful finish.

### **Pairings**

An excellent food wine, enjoy with beef and wild game, spicy-roasted white meats, rich, cheesy dishes, or as a crowd-pleasing standalone.
